

A close-up photograph of several pink cherry blossoms on a dark green branch. The flowers are in various stages of bloom, with some fully open and others as buds. The petals are a soft pink color, and the centers show yellow stamens. The background is a blurred green, suggesting a natural outdoor setting.

## *Ralph & Sandy Cheatwood | Romania*

The Missionary of the Month offering for April will go to Ralph and Sandy Cheatwood in Romania and Bulgaria. Brother Ralph is 80 years old and has been diagnosed with stage 4 cancer. Before his passing, he would love to see the building in Avren, Bulgaria completed so that the missionaries that have worked under him can carry on the work that he started.
